At the privately owned Majlis resort in Manda, you can enjoy boutique luxury while soaking in experiences such as exploring the scenic islands by foot, sailing on dhows and trying out adventure and water sports. Visit www.chiccollection.travel for more.

LUXE LUGGAGE

We love the way the Louis Vuitton Spring/Summer collection heralds the season with its injection of bright colours into the brand's signature neutral shades of brown and grey. A touch of blue and orange here, and a splash of green there, makes them oh-so-of-the-moment, while keeping it classically LV at the same time. The Tuareg tote (Dh11,300) from the Monogram Cheche range is the perfect weekend break companion, while the Gypsy PM backpack (Dh12,700) makes us want to hop on a plane right now! Available at Louis Vuitton. Definitely one for the wish list.
